DIRECTIONS FROM HOEDSPRUIT
TO ROYAL MALEWANE

Guests have the option of travelling to Royal Malewane by road with the advantage of experiencing the small, scenic towns surrounding Royal Malewane and a backdrop of the spectacular Drakensberg mountains.

1. From the Hoedspruit Airport turn right onto the tar road and travel down this road to the T-Junction. You pass through an access control gate at the end of the road.
2. Turn left onto the R40 (towards Klaserie) and travel down this road until you eventually come to a T-Junction at the end of the road (you will have passed the Kapama Main Gate and then further on, the Hoedspruit Cheetah Breeding and Rehabilitation Centre's gate.) This is about a 20 km drive.
3. At the T-Junction turn left towards Acornhoek and after about 1km turn left onto the Orpen Gate Road.
4. Travel down this road for about 12km and shortly after passing the Timbavati Safari Lodge on your left, there is a gravel road on the left (Avoca Road).
5. Please turn down this Avoca Road. There is an access control gate on the entrance to this road.
6. We are 5.6 km down this gravel road and our entrance gate is on the left hand side. There you will be met by our security guard at the gate who will radio the Lodge reception to advise of the arrival. There are no park or entrance fees to enter the Reserve.
