## TEA

-R40-

### THE SILO BLEND

This marriage of African marula fruit and rooibos produces a beautifully sweet and fragrant tea with notes of berries, rose petals and lingering woody flavours.

### JASMIN BAI HAO - SCENTED OOLONG

A delightful, semi-fermented tea with a Jasmin scented aroma. This tea was formerly reserved for the use of the Imperial Court. A rare gem of elegance and beauty.

### PASSION FRUIT & MANGO - GREEN TEA

The sweetness of summer sun-ripened passion fruit complemented with the exotic taste of mango. This green tea is infused with mango, orange and rose petals.

### AFRICAN BREAKFAST

A bold blend of black teas from various African origins such as Kenya, Malawi and Tanzania. This uncompromisingly African tea is strong, aromatic and stimulating.

### EGYPTIAN CHAMOMILE WITH LEMONGRASS

Sweet and fragrant chamomile combines with zesty lemongrass. This ancient blend soothes the senses and clears the mind.

### LADY GREY

Gentle bergamot infused with a touch of Turkish rose to create a soft and creamy black tea that relaxes body and mind. Note the light citrus aroma.

### FOREST BERRIES

An intense blend of black and red berries with apple and hibiscus petals creates a delicious cup of sweet and tangy tea. Makes a perfect iced tea.

### SENCHA - PURE GREEN TEA

Sencha means "steamed tea" and it is from Shizuoka on the slopes of Mount Fuji. This distinctive green tea is lightly steamed to preserve the freshness before it is rolled and dried.

### ROOIBOS & HONEYBUSH

The two tea treasures of South Africa. This Rooibos and Honeybush blend reveals natural honey, citrus and woody notes. Both intense and soothing.

### HERBAL HIGHMOON

A balanced infusion of peppermint, blackberry leaves, aniseed, fennel, liquorice, cardamom and cloves. A spicy yet floral blend which invigorates mind and body.
