

COVID-19

THE ROYAL PORTFOLIO
ROYAL MALEWANE

While our hotels were closed due to the South African government's lockdown regulations, we were carefully planning protocols and procedures to protect our guests and staff. We also used the time to engage with and train staff and to renovate and upgrade our properties.

Each of The Royal Portfolio's properties adheres to the strictest hospitality protocols issued by The Tourism Business Council of South Africa as well as World Health Organisation recommendations. We have taken extensive additional measures to ensure complete peace of mind for our guests by enforcing strict social distancing across our operations. We look forward to once again giving our guests a complete experience and a perfect stay.
